Hi,

Thanks for getting in touch.

As an Escalation Specialist in Trustpilot's Content Integrity Team, I've now concluded the assessment of your appeal that you raised on 2026-07-07 for hate speech or discriminatory content.

Outcome of the appeal

The decision to **reactivate the review** has been confirmed as we didn't find anything that goes against our guidelines for the reason you flagged. That's why we've put the review back online.

If you have questions or concerns unrelated to this specific reason, we recommend either flagging the review again for the relevant reason or contacting us via our [contact form](#).

This completes the investigation of your case. While I appreciate that this may not be the outcome you had hoped for, the decision is final and in line with our guidelines. The case is now closed.
